## LIUNA LOCAL 1059 BENEFIT TRUST

---

### INTRODUCTION

Dear Member:

This booklet describes the conditions of eligibility, coverage and claims procedures under LIUNA Local 1059 Benefit Trust, for Non Construction Employees, which, for description ease, we refer to as the Trust Fund.

The Trust Fund was created on July 1, 2007, for the Members of Labourers' International Union of North America, Local 1059 London.

Every effort has been made to ensure that the coverage descriptions in this booklet are consistent with the Plan Text and the Group Insurance Policy currently held by Manulife Insurance and with applicable legal requirements.

In the event of a conflict between the benefits described in this booklet and the benefits described in the Plan Text, the provisions of the Plan Text apply. As well, eligibility rules and benefits are determined by the Board of Trustees which has the authority to change these rules and benefits at any time in order to act in the best interests of all the beneficiaries, to ensure fair treatment of members and to protect the assets of the Trust. Changes in the law may also result in changes to the benefits described in this booklet.

The Trustees hope that the benefit coverages, provided by the Trust Fund, are of real value to you and your eligible dependents. Should you require additional information, please contact the Administrator or your Local Union office.

Sincerely,  
The Board of Trustees

**Brandon MacKinnon**  
**Carlo Mastrogiuseppe**  
**Alfonso Balassone**

## MEMBERSHIP

In order to be eligible for benefits you must be a member of Local 1059 and maintain your membership in good standing. If you fail to keep up your membership you are not eligible for benefits except in very limited circumstances or as approved by the Trustees.

### ON THE IMPORTANCE OF BEING REGISTERED

It is absolutely essential that you complete and send a Member Enrolment and Beneficiary Designation form to the Administrator. On this form you name the beneficiary to whom your Life insurance should be paid.

If you have sent a Member Enrolment form to the Administrator already and you have no desire to change your beneficiary, it is not necessary for you to complete another form. However, if you would like to change your beneficiary, or have not completed a Member Enrolment and Beneficiary Designation form, you may download the form from the Global Benefits website, complete and sign the form and email a scanned copy or mail it to the Administrator (contact information listed below). The form is also available at your Union Office.

Should your dependent status change (i.e. should you marry or acquire new dependents), you must complete a new Member Enrolment and Beneficiary Designation form on which you may update your current dependent status.

- The time off work is medically supported;
- The monthly direct payment amount is equal to both the employee and employer monthly contributed amount under the applicable collective bargaining agreement;
- The duration of the direct payment provision is equal to the recall (re-employment) period as identified in the collective bargaining agreement but not more than 12 months.

Payments must be made for continuation of coverage at the LIUNA Local 1059 Union Office and cannot be made by your employer. Failure to do so may result in coverage termination and return of contributions.

## DEPENDENTS

### Who are Eligible Dependents?

Dependents are residents in Canada who are:

- your spouse
- your unmarried dependent children under 21 provided they are not employed on a regular, full-time basis
- your unmarried dependent children age 21 or over are also eligible for the Supplementary Health and Dental benefits, and Dependent Life Insurance, if applicable, provided they are not employed on a regular, full time basis and they:
  - a) are full-time students attending a high school, college or university, or
  - b) are medically diagnosed as being incapacitated. Additional proof may be required from time to time.

“Spouse” means the person to whom a member is legally married, and includes an unmarried partner if the person has been living with the member in a conjugal relationship for a period of at least one continuous year, and excludes a person divorced from the member. Only one person may qualify as a spouse at any one time.

Stepchildren, foster children, legally adopted children and children of the common-law partner may be included the same as your own children provided they meet the requirements set out above.

Your dependents are eligible for Dependent Life Insurance and for the Supplementary Health benefits from birth. A child who is physically or mentally incapable of self-support upon attaining age 21, may continue to be eligible under the Dependent Life Insurance and the Supplementary Health Benefits while remaining incapacitated and unmarried. Their insurance becomes effective at the same time as your

coverage unless at that time they are confined for medical care or treatment in any institution or at home, in which case they will not be covered until given a final release by the doctor from all such confinement. No one will be eligible for coverage as a dependent while covered for the same type of insurance as a Member. No one will be covered while in military service. If both parents of a dependent child are covered under this Plan as Members, only one of the parents will be considered to have eligible dependents.

A Child who is physically or mentally incapable of self-support upon attaining age 21 may continue to be eligible under the Supplementary Health benefits, while remaining incapacitated and unmarried, subject to your own coverage continuing in effect. To be eligible for this extended coverage, a permanently disabled child must have been covered as a dependent immediately prior to his 21st birthday.

### **CHANGE OF STATUS**

As advised under “ON THE IMPORTANCE OF BEING REGISTERED” it is your responsibility to ensure that the Administrator is advised of any change of status (married, new dependents, etc.) to ensure that proper coverage is maintained.

### **CLAIMS ARISING OUT OF AUTOMOBILE ACCIDENTS**

No benefits will be paid for any claims arising as a result of an Automobile Related Accident which occurs on or after July 1, 2007.

Notwithstanding any other provisions of the Plan, claims for benefits arising out of an automobile accident shall be governed by the following.

Certain benefits may be available to Plan Members of the Plan who suffer an impairment as a result of an automobile accident through the “no fault” scheme established by the Province of Ontario. The LIUNA Local 1059 Benefit Trust excludes those benefits to the extent that a Plan Member is eligible to receive them. The Plan Member will not be entitled to receive benefits under the Plan to the extent he is eligible to receive the “no fault” benefits. This is the case even where the Plan Member is not in receipt of the “no fault” benefits if the Plan Member fails to diligently make application and pursue the “no fault” benefits.

Notwithstanding any other provision of this Plan, no benefits are payable under the Plan to a Plan Member where the Plan Member has incurred an impairment as a result of an automobile accident to the extent that the Plan Member is eligible for “no fault” benefits. A Plan Member who incurs an impairment as a result of an automobile accident will be entitled to benefits under the Plan to the extent that:

1. They are not available as “no fault” benefits;
2. There are exclusions in the “no fault” Plan which would exclude or exempt coverage under the “no fault” benefits but are not so exempt by this Plan;
3. The “no fault” benefits are of a limited duration and the benefits available under the Plan are of a greater duration; or
4. The benefits would otherwise be available to the Plan Member under the terms of the Plan.

An individual will NOT be entitled to benefits under the Plan if he:

- a) Fails to diligently apply for and provide all necessary information to become entitled to “no fault” benefits; or
- b) Fails to provide further information and to maintain qualification for the “no fault” benefits.

A Plan Member shall also be disentitled to benefits under the Plan if the Plan Member accepts a settlement respecting the “no fault” benefits to which he or she would otherwise have been entitled. The Plan Member shall be disentitled to benefits under the Plan to the extent that the settlement constitutes a compromise of or waiver of entitlement to “no fault” benefits otherwise available to the plan member.

Where a Plan Member makes a claim for benefits under the Plan and has been in receipt of “no fault” benefits, the Plan Member may be required to provide an accounting of the benefits as received under the “no fault” Plan. In addition, a Plan Member who has not indicated receipt of “no fault” benefits may be required to provide evidence that the loss for which a claim is being made does not arise out of an automobile accident.

The benefits under the Plan affected by these provisions will depend on the “no fault” benefits available from time to time. At the date of the writing of this provision, those benefits include but are not necessarily limited to the following:

1. Supplementary health benefits including:
  - prescription drugs
  - vision care
  - ambulance service
  - private duty nursing
  - dental accidents
  - orthopaedic supplies
  - hearing aids
  - physiotherapy and occupational therapy
  - artificial and assistive devices
  - physiological services

The exclusions and limitations described in this section which are applicable to a Plan Member are also applicable to a dependent who makes a claim under the Plan.

## IMPORTANT INFORMATION FOR SERVICE PROVIDERS

In order to assist in the efficient processing of a Group Legal claim, it is crucial that the supporting documentation be submitted. For your benefit we reiterate the importance of the **itemized statement of account on legal letterhead** detailing the services rendered, legal fees separate from the disbursements and taxes. Please indicate the name of the client(s) and the amount charged for each service. Non-legal fees, fees in excess of the Plan maximum and fees of members who are ineligible for coverage are the responsibility of the Plan Member.

Attention must be paid to provide us with a clear description of the services rendered. For instance, **Real Estate Matters** often include the preparation of a mortgage and discharge but rarely is it itemized on the statement of account and while the closing date further facilitates processing, it is on rare occasion provided. Survivorship applications will be paid under code “A5 Transfer of Title”. Title insurance, title examining counsel fees, property appraisals, mortgage and land registration fees are not covered under the Plan.

Statements of account relating to **Divorce and Domestic Proceedings** must clearly specify the family matter and provide a description of services. The block fees set out herein are payable only for services provided and are not accumulative. When a lawyer prepares a separation agreement the claim may be reimbursed up to \$850. The Plan Member would not be entitled to claim for code “B3 Property and Custody Support Member” when issues of property, custody, access or support are outlined in the separation agreement.

Plan Members and their eligible dependents shall be entitled to receive legal advice by telephone or direct office consultation on any problem that the Plan Member believes to be of a legal nature. When a consultation takes place regarding family or criminal matters it is important that **Consultation** be identified on the statement of account so as to allow for the Plan Member to receive an additional benefit. Failure to provide the information could result in a delay in the processing of the claim.

Reimbursement for **Bankruptcy** requires the submission of a Form 13 Trustee’s Final Statement of Receipts and Disbursements.

**Highway Traffic Act** claims must be accompanied by a copy of the traffic ticket, summons or notice of trial where the date of offence will determine the eligibility for reimbursement.

The Plan Member must be eligible for benefit coverage on the date of service (or offence for Highway Traffic Act matters) and claims must be submitted within 24 months of that date.

Maximum representation shall not exceed \$4,500 of legal service in a calendar year. For **Exclusions** please see page 75. The maximum amounts set out under each section are the maximum amounts payable for each service despite the fact that certain proceedings may take in excess of one calendar year to complete.

Charges beyond the maximum payable by the Plan or for non-legal services such as disbursements, taxes, registration fees, property appraisals, fines, title insurance, administration fees or court costs are the responsibility of the Plan Member.

The final determination of any claim, question or problem that may arise will be governed by the Trust Agreement and the current Schedule of Benefits. The Plan provides coverage for legal expenses specifically for those services described in this benefit booklet, up to the maximum amounts indicated, which have been approved by the Board of Trustees.

**All claims are subject to the rules and exclusions applicable to the Plan of Benefits on pages 75-77.**
