W.A. Health, ClaimSecure administering Local 1059 benefits

Local 1059 members have access to a wide range of benefits designed to support their health, wellness, and financial security. From dental and vision coverage to prescriptions and extended health services, these benefits are there to help you and your dependents when you need them most.

To make the most of your coverage, it's important to understand how to file claims, request manual reimbursements, and navigate the online portal. WA Health, together with their partner ClaimSecure, provides the tools and resources you need to manage your benefits efficiently and confidently. The sections below will guide you through each process so you can get the most out of your plan.

HOW TO FILE CLAIMS FOR MEDICAL, EXTENDED HEALTH CARE, AND DENTAL EXPENSES

Your ClaimSecure benefit card allows most healthcare providers to submit claims electronically on your behalf.

In cases where a healthcare provider is not able to file a claim, members can file medical, dental, and extended health care claims online at www.claimsecure.com or through the ClaimSecure app. If you're submitting a claim online for the first time, you'll have to set up an eProfile account. To get started, click on the eProfile Services tab on the top menu bar, select Login, and then click Register Now.

IMPORTANT: Please retain all original receipts for 12 months after your submission. If you have questions about ClaimSecure, call 1-888-513-4464.
